

**CIBM Bank
Ready Line Service Authorization**

Date: _____

I hereby request access to CIBM Bank's *Ready Line* phone banking system.

I understand that CIBM Bank ("Bank") is not liable for transfers attempted but not accomplished if:

- 1) Through no fault of the Bank I do not have sufficient available funds to make the transfer, or
- 2) The money in my account is subject to legal process or other encumbrances restricting the transfer, or
- 3) Circumstances beyond the Bank's control (including but not limited to interruption of telephone, facsimile or communication facilities, delay in transportation, equipment breakdown or mechanical malfunction, electrical, power or computer failure, accidents, fire, flood, explosion, theft, natural disaster or other catastrophe, acts or failure to act by Customer or any third party, strikes or lockouts, emergency conditions, riots, war, acts of government or other circumstances which are unavoidable or beyond Bank's control) prevent the transfer, despite reasonable precautions by the Bank.

Further, I understand that transfers may be made only between those accounts listed under this agreement, and that this authorization may be revoked by the Bank at any time it deems it necessary to do so. I agree to maintain adequate control and protection of my Personal Identification Number (PIN) and agree to notify the Bank immediately upon learning of its disclosure to any unauthorized person(s). I agree to hold CIBM Bank harmless for any transfers performed by a person(s) other than me to whom I have provided my login information. I understand that the Bank will not have knowledge of my login information once changed, and that its security is my responsibility. I request that the following account(s) be established on the Bank's *Ready Line*. Should I desire to add or delete one or more of these accounts from my transfer pool, I understand that I will need to notify the Bank in writing of this request.
